WINEMAKING

The grapes were hand-picked, carefully selected and 100% de-stemmed at the winery. The fermentation occurred in small stainless steel tanks at the temperature of 12°C. After malolactic fermentation, the wine aged for 8 months in new French oak barrels. After ageing in the barrels, the wine rested in the bottle, quiet, for 12 months.

TASTING NOTES

The result is this wine with complex aromas, where balsamic notes, truffle hints and ripe wild fruits aromas are evident. On the palate, the tannins are silky and well-balanced, perfectly integrated into the wine structure, providing a long and consistent finish.
